SASANGA HASHANI

BICT Undergraduate

UI/UX Design & Graphic Design

+94 763667032 | sasanga.h.ranasinghe@gmail.com | Colombo, Sri Lanka | Portfolio | Behance |

SUMMARY

BICT undergraduate at the Faculty of Technology, University of Colombo, with an interest in UI/UX Design and Graphic Design. Familiar with designing user-friendly mobile interfaces and creating UI/UX prototypes using Figma, as well as creating visual content using Adobe creative tools. Creative and detail-oriented, with a focus on creating visually appealing and user-friendly designs. Seeking a **UI/UX and Graphic Design internship** to apply my skills, gain practical industry experience, and grow as a designer.

PROJECTS

TaskMate – Mobile Task Management Application (Figma) **Design Link**

- Designed a user-friendly mobile interface for efficient task management using Figma.
- Followed Material Design 3 guidelines and an 8dp spacing system to maintain design consistency.
- Used Figma Auto Layout to create well-organized layouts, combining a blue primary color with soft surface colors for a consistent and productive user experience.
- Focused on intuitive navigation and a consistent user experience across application screens.

Interactive Juice Product Showcase UI Design (Figma) **Design Link**

- Designed an interactive product landing page layout featuring dynamic flavor transitions for beverages .
- Created flavor-coordinated color palettes and clean typography for a distinct brand identity.
- Implemented smooth transitions and layout switching for seamless user navigation.

Personal Portfolio Website

- Developed a responsive personal portfolio website to showcase my skills, projects, education, and extracurricular activities.
- Implemented website layouts and styling using HTML and CSS, and deployed the website using GitHub Pages.

Agricultural Subsidy Management System

- Designed UI/UX prototypes in Figma for a mobile and web application.
- Created interface designs to support the application's features and user interactions.
- Collaborated with team members as part of an academic group project.

SnapEats – Fast Food Restaurant Logo Design (Adobe Illustrator)

- Designed and developed a logo suitable for a fast-food restaurant using Adobe Illustrator.

Bronze Bean – Coffee Shop Logo Design (Adobe Illustrator)

- Designed a logo for a conceptual coffee shop brand named Bronze Bean using Adobe Illustrator.
- Combined a bold letterform and coffee cup illustration to create a distinctive brand identity.

TECHNICAL CERTIFICATIONS

- User Interface Design With Figma - Alison
